My Query I am Looking For: A family tree of one Lt. Thomas McCullough who died at the battle of Kings Mountain in Oct. 1780. His name is inscribed on the monument erected at the battlefield park in the 1930's. Also, I am looking for information on my grandfather, Russell Holmes McCullough, Sr. who was from (I think) Aransas Pass, Texas. He married the former Nelly Gaston who was raised in Kansas. They were married in S. Texas in 1918. They lived in Tulsa, Oklahoma until their retirement years when they moved back to Aransas. My interest is based on the fact that there seems to be many McCulloughs in North/South Carolina during the Revolution and that GASTON county NC is home to the Kings Mountain battlefield park. Were these two families intermarried YEARS before my grandparents? My father, Russell Holmes McCullough, Jr. was born in 1919 in Guthrie, Oklahoma and died in 1966 in Hampton, Virginia where I was raised. My father married the former Joyce Taylor in 1944 and moved to Virginia in 1949 to work at the Newport News Shipbuilding and Drydock Co. Thank you in advance for any information, as you can see....I know nothing about genealogy!

My Query I am Looking For: Information concerning Frances Angelina McCullough Darr, born 20 Aug 1861. She married J. P. Darr in Pickens County, AL on 1/20/1881. I believe that Frances Angelina's parents were W. H. McCullough and Martha Holcomb McCullough. They married in 1860 and had the one daughter, possibly in Newberry District SC. Martha Holcomb was born 5/10/1841 in Newberry Dist. SC and died 5/19/1918, in Pickens County, AL. She married James Myron Cox 6/28/1865 which leads one to believe that W. H. McCullough died between the date of marriage and 1865. Any help appreciated.

I know that this spelling is different from yours, but thought I would throw it out here for some further assistance as I have gotten all the help I can from the military until I get further details and such from family members.

Lt David H. McCulloch was the co pilot on the NC-3 Flying Boats from Sea Plane Division 1. His commanding office was a CDR John Towers. This particular seaplane was a part of the first Transatlantic flight that included the NC-1 and NC-4(which made it). He is a cousin to my great Nana and would like to find info on him as he is the only true link I have to this McCulloch line. Nana is: Ruth Priscilla McCulloch daughter of James Stephens McCulloch, and Sarah Emma Koons, all of Juniata County Penn State. I would like to believe that Lt McCulloch came from Juniata County as well. In the end of all this research, I would like to ensure that he gets the proper honor and credit for his part in the attempt of crossing the atlantic ocean in such a plane. The history behind the plane is all but lost.

I am Looking For: Information on ancestors and descendants of Robert McCULLOUGH born circa 1830 Antrim County, Northern Ireland. Married Ann/Anne (last name unknown) circa 1852 and had two sons: Robert McCULLOUGH born 9 June 1853 and Hugh McCULLOUGH born circa 1855 probably vicinity of Larne. Robert McCULLOUGH (Senior) believed to be a "Ship Master" died during a storm at sea circa 1860 off the coast of Northern Ireland. His widow, Ann/Anne re-married John CUTHBERT of Larne circa 1862 and had three sons: John CUTHBERT born 13 Jul 1863, James CUTHBERT born circa 1864, and Samuel/Samual CUTHBERT born circa 1867. John CUTHBERT married Agnes DEANS and emigrated to USA. James CUTHBERT emigrated to Scotland and reportedly became a "Ship Master" there; and Samuel/Samual CUTHBERT was last known to be living in Whitehead, Co. Antrim. Robert McCULLOUGH (Junior) married Hannah DEANS and emigrated to USA settling in Sangamon County, Illinois. Hugh McCULLOUGH emigrated to US! A, stayed a few years and returned to Northern Ireland and then relocated to Scotland. There is a family story that says these McCULLOUGHs were somehow connected to the McCULLOUGHs in Northern Ireland that owned (or operated) a number of sailing vessels, some of which were used in the Revolutionary War. However, I have not been able to confirm this. Any information and/or leads will be greatly appreciated.

Hello, I am an African-American who am searching my family roots. I am looking for an Alex McCulloch who was a owner of many slaves in North Carolina, possibly Halifax, Nash, Edgecombe, or Warren county. My grandparents Richard and Margaret

West were married in Halifax county, in 1859, so far I haven't found their parents as of yet. Are you possibly related to Alex McCulloch? If so, would you be kind enough to check your records on any African-American slaves he may have had, prior to 1859. I've been told there was Irish, Choctaw, German and African heritage in our family.

Thank you,

My Query I am Looking For: Any information on McCullough families in Rockbridge County, VA, prior to 1900. I have solid information on the McCullough line back to the late 1800s and information that alludes to an exodus from Pennsylvania in the late 1700s and early 1800s down the Shenandoah valley of Virginia. Many McCullough families settled in Augusta and Rockbridge counties. The Stonewall Brigade mustered from this area during the Civil War and I have information on several McCulloughs listed/killed in Confederate units, but I cannot make the connection of lineage through these names.

I am still searching for information on the mysterious Richard McCullough. I don't have any dates for him, or parent's names. Here's what I do have:

Richard McCullough married Alice Somars Dunn in Hamilton County, OH, abt. 1873. Alice was born Oct. 18, 1850 at Lockland, Hamilton County, OH. She died June 16, 1935 at Wichita, Sedgwick County, KS.

Alice is buried at the Maple Grove Cemetery in Wichita, KS. Richard is not there. I recently found in the 1900 Federal Census of Sedgwick County, KS, that Richard did not live with Alice Dunn McCullough and their daughter Mary by June 22, 1900. It also says that Richard McCullough was born in Texas. I have a pretty strong hunch Richard died before 1900 as no divorce was mentioned in family records. The children of Richard and Alice Dunn McCullough:

Gertrude McCullough, b. abt. 1873 in Ohio. She married Edward C. Toler (sometimes noted as Edwin). Their children: Richard, b. Aug. 1896, Sallie, b. Oct. 1899, Edwin, b. abt. 1902, Fredrick, b. abt. 1904.

Mary E. McCullough, b. Aug. 1877 in KS. She married Charles M. Hoover, April 2, 1912 in Sedgwick County, KS.

Any help would be greatly appreciated. Thank You,

Hello, I am just beginning research on my father's family. They were living in the Hannibal and St. Louis area 100 years ago and, to the best of my knowledge, many still reside in that general geographical area.

My father's name was JOSEPH EDGAR MCCULLOUGH, b.1898, d.1966. He was born in Hannibal, Marion County, MO. He had 5 brothers: DELMAR, ESTIL, MARTIN, CHARLIE (?) and another whose name I have forgotten. He also had three sisters, but the only name I recall is TRESSA (possibly THERESA). I do know that one of his sisters' married name was HOAG and that she was mother of two boys who were lost in the Mark Twain Caves in the mid 1960's.

I have recently obtained a copy of my father's application for a Social Security card, and he gave his father's name as JAMES HENRY MCCULLOUGH and his mother's name as NINA RIDGEWAY. I never heard my father speak of his parents other than to say that his mother died when he was "small" and his father remarried. Therefore, I do not know if he gave his birth mother's name on the form or that of his step-mother.

I would like to know my family history and also find some of the many cousins that I have "lost" over the years.

This may not be possible, but help in any direction would be appreciated.

Thank You,

Marcia Kathleen McCullough

My grandmother's siblings were Genevieve, Elizabeth, Lula, Martha, Florence, Evelyn, Thelma, Arthur and Alfred. I believe my grandmother grew up in Pennsylvania, perhaps around the Williamsport/Jersey Shore area. She was married to my grandfather, WALTER CHRISTOPHER MYERS, and they had six children, Genevieve, Kathleen, Rosemary (my mother), William, Dorothy and Robert. As far as I can ever recall, my grandparents lived in New Hartford, New York, and my grandfather worked for the (Erie?) Railroad for over 50 years. Unfortunately, I simply cannot find any information concerning my great-parents, Emma Jane Lane and Edwin O'Neill McCullough. Might anyone have information they could share?

Thanks a million!!,

I am Looking For the family of my gggg grandmother Nancy McCullough (1750-1836), who married John Stitt (1754-1849) in 1777. They bought a farm and raised their children outside of Bloomingburgh, Sullivan Co, NY, and technically in Wallkill, Orange Co. NY. She was most likely the daughter of John McCullough/McCollough (ca 1723-1818), who is buried in the same cemetery (Bloomingburgh) as Nancy and John. The only other McCulloughs/McColloughs I can find in the immediate area in that time frame lived in Newburgh, Orange Co, NY. Some of the gravestones indicate that those McCulloughs were from County Down, Ireland. I have no information thus far on who John McCullough's wife was, or whether Nancy had any siblings. Are the names/dates familiar to anyone? The McCulloughs/Stitts were active members in the Associate Reformed Church, and left the congregation when the majority decided to realign with the Dutch Reformed Church in 1820...so we're talking hard-core Protestants (probably originally Scottish Presbyterians) with a stubborn streak... a characteristic which has survived to the current generation.

Would love to hear from anyone who may have a tie... Thanks,

Elisabeth Stitt

Butler Co., PA (b 4/15/1770; d. 9/8/1847). Butler Co. histories state John was born in Westmoreland Co., PA; Holston River, VA; or Scotland. Married ANNA ELIZABETH SPANGLER (SPENGLER:Ger)(b. 1/28/1779; d. 1/14/1858) on 7/4/1797 at „house of the widow GRIBS (CRIBS, KREBS)¾ in Westmoreland Co., PA. In 1797 they moved to Butler Co., PA and settled 200 acres in Donegal and Fairview Twp where John was a farmer and potter. John was a private in 1793 in Westmoreland Co, PA Militia under Captain JOHN SLOAN and a Captain in the PA Militia in 1814. John and Elizabeth had 10 children: WILLIAM (1799-1880), JOHN (1801-1884), JAMES (1803-1889), MARY (1806-1850), ELIZABETH (1808-?), DAVID (1811-1880), MARGARET (1813-1900), SUSAN (1815-1904), CATHERINE (1815-1875), PHILLEPENA (1821-1898). „Butler Citizen¾ 9/12/1912 newspaper article by NEWTON McCOLLOUGH states that John¼s father was Doctor WILLIAM McCOLLOUGH (wife unknown) and John was orphaned in an Indian massacre in 1774. Butler Co. History (1895) claims that John¼s mother was murdered by a hired hand. WILLIAM McCOLLOUGH fostered John out in 1774, perhaps to the SPANGLER family in the Harrolds German Community (Greensburg, PA). ELIZABETH confirmed there in 1794. JOHN and SALOME SPANGLER, Elizabeth¼s parents, also settled in Butler Co., PA, a few miles north of John and Elizabeth. JOHN SPANGLER and JOHN McCOLLOUGH were „whiskey rebels¾ in 1793 and were involved in the raid on the BENJAMIN WELLS house. She married John Wyatt Harris, Jr., 13 December 1852, gave birth to Ann Stratton Harris on 20 November 1855, and died 13 July 1857. All of these events happened in Russelville, AL, or the outlying regions of Franklin County. It is possible she was born outside of Franklin Co. Any information on her or her parents would be greatly appreciated.

Thanks,

James Gregory

My Query I am Looking For:Great Grandfather HENRY CHARLES MCCULLOUGH from PHILADELPHIA possibly married to/or had children with MARY R. RYAN of Philadelphia: twins Henry C.(Harry), and Rita Margaret McCullough 3/15/23 and daughter Alice Winifred McCullough 3/19/25. He was never spoken about much, his children never saw him to their knowledge. He possibly had at least two sisters who may have moved to Bala Cynwyd or Narberth,Pa. and perhaps a brother. Mary R. Ryan had two older children, William Irvin Hall and Joseph Hall; and subsequent to H. C. McC., she married John Kelly and had 3 more children and moved to Rosemont, Pa. The McCullough offspring always had a curiosity about their father, but it was discouraged. They lived and went to school for a time in Our Mother of Sorrows Parish in Phila. They suspect they had cousins in the area and school, but it was not discussed. Margaret Rita (My father's twin) is now 77 years old and would like information about her father and possible relatives; at 77, she is not afraid of the truth good or bad.

Thanks for anything!
